the office embarks with the collection
work will be out of use & the services of an
Overseer, the cost to the body will be

basis of the Overseer happens to be - An
allowance also will have to be given
Health Officer should be given Rs 50-0-0
There is again the Health Officer
Vice-President - whose entire pay & allowance
is also being charged to the Ind. Funds.
The office starts on Rs 250 + pay of
Rs 400 + drawn a conveyance allowance
of Rs 50-0-0. Thus it will be seen
that even assuming that - both these offices
that happen to be kept vacant Ind. Council
will be out of the least grade, the cost
comes up to Rs 500-0-0 minus allowance
the amount itself is hardly within the
Ind. Council to bear. And it would
be unfair to saddle them with any more
charges on account of the Presidentship,
at any rate for the time being & until
we know the Trust Board comes to exist
As it is, the bulk of the Municipal work
belongs to the Trust Board & not to the Ind. Council

Final Note by the Second Member of Council.

26 Subject:— Apportionment of the pay of Mr. T.G. Lakshmana Rao, President, Mysore City Municipality between the Municipality and the Trust Board.

N In Government Order dated the 4th March 1913, Mr. T.G. Lakshmana Rao, Executive Engineer, 4th Class, temporary, was appointed wholetime President of the Mysore City Municipal Council and Chairman of the Board of Trustees for the City Improvements and his salary for the combined office was fixed at Rs. 500 plus 100 local allowance.

2. The question has been raised as to how that salary is to be apportioned between the two local bodies.

3. Prior to Mr. Lakshman Rao's appointment as wholetime President, the Municipality was not contributing anything towards the pay of its ex-officio President. But, it had, nevertheless, to incur heavy expenditure on account of its two other highly paid officers, viz., the Assistant Commissioner-Vice-President and the Health Officer. The Municipality continues to bear those charges even now. In view of this fact and of the circumstance that the bulk of the work that has to be done by the President-Chairman belongs to the Trust Board, I suggested that not more than Rs. 100 out of his pay, might, if necessary, be debited to Municipal Funds, the balance being borne by the Trust Board. The Financial Secretary agreed in that view. But on the question being discussed at a meeting of the Council it has been

decided that a third of Mr Lakshman Rao's pay may be borne by the Municipal Council and the remaining two-thirds by the Trust Board, and the Financial Secretary has acquiesced in this decision of the Council The same may be sanctioned.

31 Mr. Lakshman Rao's salary is Rs 500+ Rs 100 local allowance. According to the Council Rule, the 2? Members final note and the Secretary Sahib's note, a third of Mr. Lakshman Rao's pay will have to be debited to Municipal Fund and the remaining two thirds to the District Board. It seems therefore clear that the local allowance of Rs 100 will have to be debited wholly to the District Board Fund. Draft in accordance with this view is submitted for approval or other orders. As the Lt is always enquired in the manner in which the pay of an officer is drawn, no mention is made about it in the draft, subject to approval

This addition is made to the draft, in this matter also, as per Sec'y note.
